

Easy Chopper 2™

: Originally developed for :

A super-efficient way to slice, dice and wedge
large veggies in a crazy-busy kitchen **NEED**

Very little counterspace and no time for
tool tinkering to change blades or repair parts **CHALLENGE**

Redesign the durable, low-maintenance
Easy Chopper™ to include a 4¼" cutting area
that features pop-in-and-out pretensioned blade
cartridges and a base wide enough to sprawl
over a two-quart pan **SOLUTION**

One compact device provides exceptional
cutting versatility and speed, while winning a
Foodservice Equipment & Supplies "Best in Class" **RESULT**
