MOIST HEAT BUN/FOOD WARMERS

Keep your buns fresh and tasty with Nemco's line of moist heat bun warmers! This unit will warm it, store it and sell it! They're great for holding buns or even buns with hotdogs. With several different sizes designed to fit beneath Nemco Roller Grill models, they make a very profitable addition to your operation.

STANDARD FEATURES:

- Stainless steel construction
- Stainless steel rack in bottom of pan to separate buns from water
- Adjustable thermostat up to 200°F
- Easy open sliding drawer
- Fits under Roller Grill to maximize counter space

STAINLESS STEEL BUN BOXES

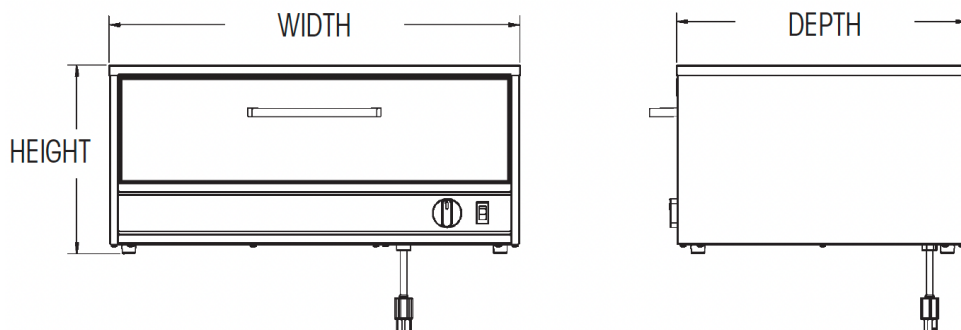

Each of these commercial-grade boxes provides a durable, stackable storage unit that keeps your hot dog buns fresh (leave buns in bag). They are designed to accommodate the appropriate size roller grill for maximum countertop efficiency.

STANDARD FEATURES:

- Stainless steel construction
- Polycarbonate hinged doors
- Compact and fits under Roller Grill to maximize counter space
