

Roller Grill PRO Series with Built-In Bun Cabinet

model #: **8630, 8730, 8650, 8750, 8675, 8775**

Nemco's new Roller Grill with Built-in Bun Cabinet is designed for optimum space savings, while providing ultimate user convenience. This all-in-one unit is easily portable without the need to move and set up multiple components each time. Simplified access to the controls and motor makes maintaining the unit easier than ever. 360° roller rotation prevents residue buildup, while individual roller heating elements ensure heating consistency. The integrated bun drawer keeps buns warm, fresh and ready-to-eat with their famously delicious hot dog counterpart.

STANDARD FEATURES

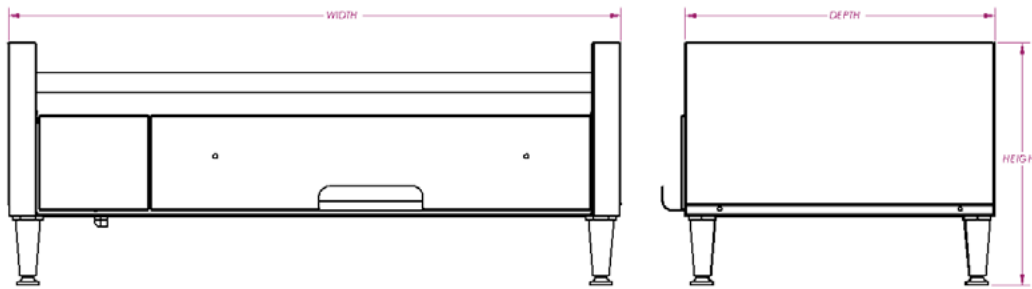

- Flat or slanted rollers, available in either chrome or GripsIt™ coating
- Nemco's proprietary GripsIt™ roller coating effectively turns food items that slip and fail to rotate on chrome, while still remaining easy to clean
- Integrated bun warmer drawer with large capacity for holding buns
- Can operate with dry or moist heat
- Available with mechanical or digital controls
- Hidden controls with one-screw access for maintenance
- Quick-change elements and control panel
- All maintenance is done without removing the bottom cover
- Motor can be maintained by removing two captive screws on end frame cover
- Self-tensioning chain
- 360° roller rotation
- Removable grease drip tray

ACCESSORIES

- Divider Kits
- Self-Serve Guards
- Canopy Sneeze Guards
- Tongs with Tong Holder
